Teaming Phase 1*

Baltic Biomaterials Centre of Excellence

Assoc.Prof. Dr.sc.ing. Jānis Ločs

10.05.2017

When and How?

- May 2015, the application to TWINNING...
- Conclusions from application...
 - Partners;
 - Overall project idea should be sound.

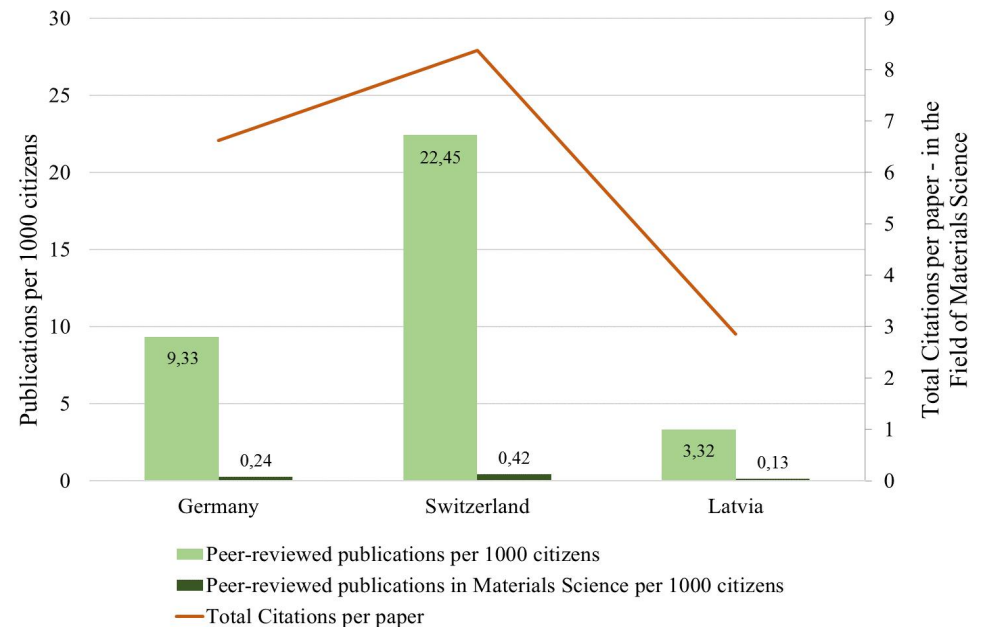

Preparation for Teaming

- Networking;
- Partner search;
- Brainstorming;
- Analysis of successful projects;

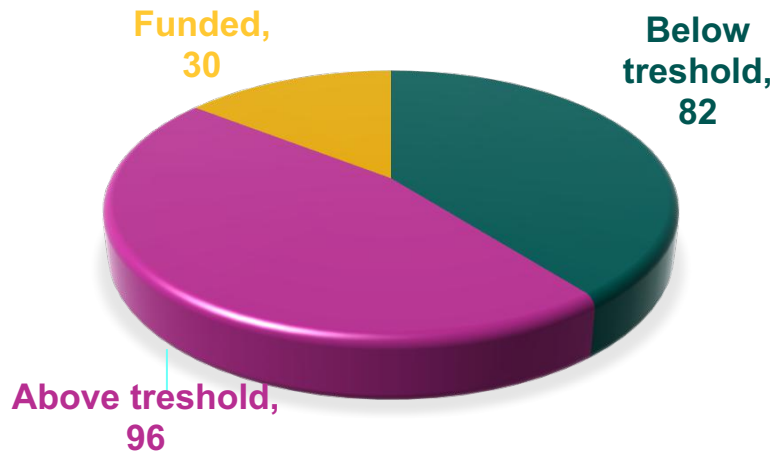

Preparation of Teaming BBCE

- Networking;
- Partner search;
- Brainstorming;
- Critical view in the mirror;
- Analysis of situation;
- Writing;
- Correcting;
- Blind reading;
- Correcting;
- ...

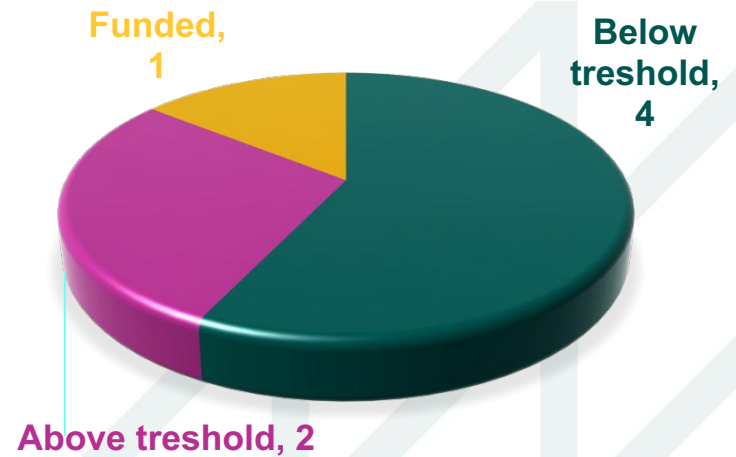

BBCE Phase 1 successful!

EU submitted 208

LV submitted 7

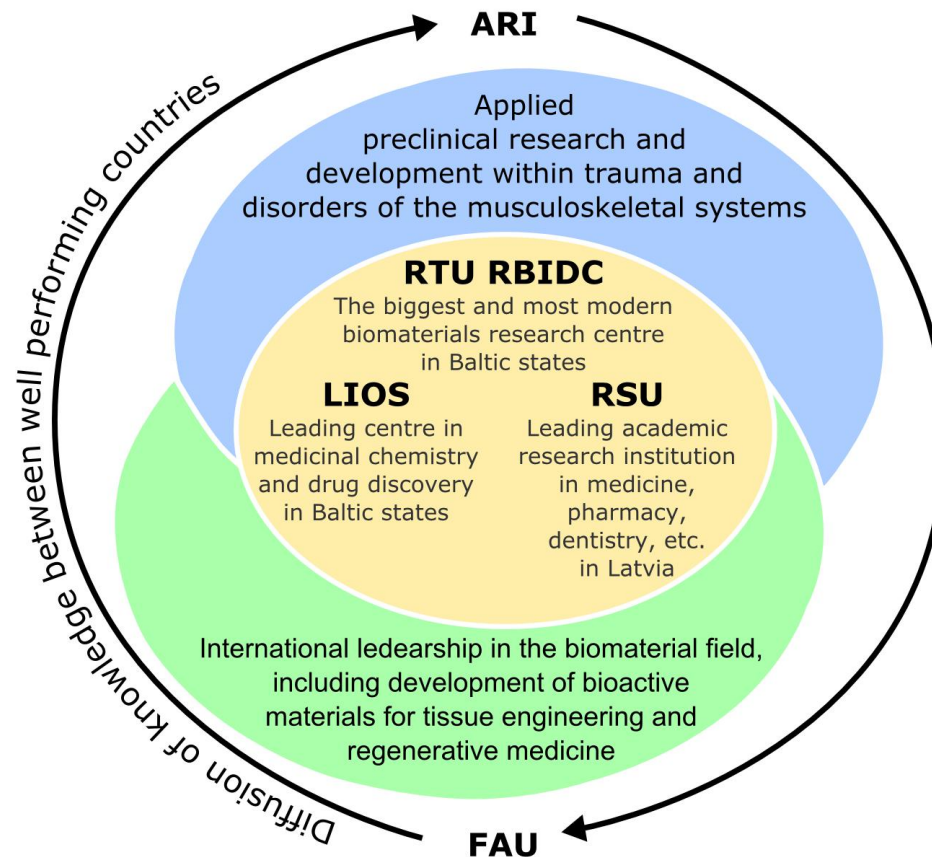

BBCE Phase 1 successful!

- Scientific Excellence of advanced partners?
 - RTU H-index ~40;
 - LIOS H-index ~47;
 - RSU H-index ~52;
 - Swiss partner Prof. Alini H-index ~57 (Institution H-index ~ 81);
 - German Partner Prof. Boccaccini H-index ~72 (Institution H-index ~ 331);

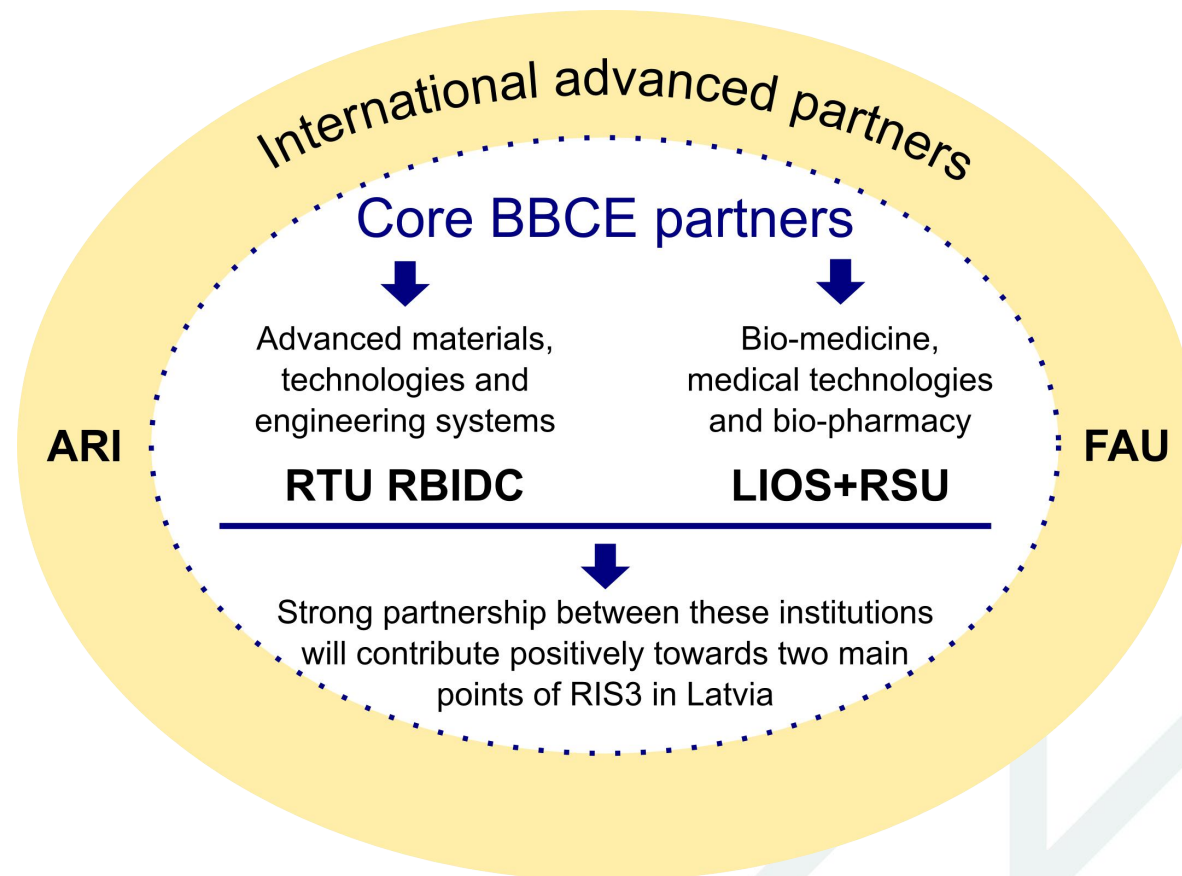

BBCE Phase 1 successful!

- Complementary competences?

BBCE Phase 1 successful!

- BBCE contribution to implementation of RIS3?

At least all of it!

BBCE Phase 2

- BBCE business plan for 5-7 years, including development and sustainability;
- Up to 15 MEUR H2020 funding available with equal national investment in infrastructure.

Good luck!

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 763721.
