Food Industry Life

9-10 listopada 2017

Park Naukowo-Technologiczny
Polska-Wschód w Suwałkach

Science and Technology Park Poland-East in Suwalki in the cooperation with the Suwalki City Office organises the second edition of the **Borderline Business Forum** under the name of „**Food Industry Life**”, to be held from 9-10 November 2017 in Suwalki.

The purpose of the event is to bring together representatives of business-related institutions, local government officials, entrepreneurs and experts, to discuss about problems in the region's leading agro-food industry.

The side event of the Forum will be **free exhibitors' fairs**, during which the offer of manufacturers and producers from aforementioned industry and related industries will be presented. In addition, in cooperation with Enterprise Europe Network centers, the trade fair formula has been extended with international **B2B meetings** on **10 November**. We invite businessmen from Lithuania, Latvia and Belarus. Assumed number of participants – 250.

The Ministry of Agriculture and Rural Development, Marshal of the Podlaskie Voivodeship and Podlaskie province governor took over the honourable patronage for Forum, while University of Bialystok granted scientific patronage. After the conference a peer-reviewed science publication will be published.

Therefore, we would like to invite you to participate in the **fair** and **B2B meetings**.

Details about the event are available on the website: www.forumpogranicza.pl
