Virtual Company Missions

You are invited to register to the following company missions.

The company missions are organised by Inventya Ltd in collaboration with SPIN - Ricerca Innovazione e Trasferimento Tecnologico.

Thursday 25 February 2021

[Smart Manufacturing: Artificial Intelligence, Virtual Reality and Augmented Reality](#)

Friday 26 February 2021

[Gamification, AI and digital solutions in the Ed-Tech sector](#)

The Virtual Company Missions are an opportunity to exchange experiences and find business, technological and research partners.

The programme will entirely take place online through the Smart MatchMaking platform and will consist of:

- Experts Roundtable
- Companies presentations
- Meetings 1:1

To participate to the Virtual Company Missions please register on the platform. You can register at the following link: <https://spin.srl/smm2021/smm2021-form-registration>

Once you have logged into the platform you can send your application on the page of the Virtual Company Missions. The organisers will evaluate your request and, once validated, you will be allowed to participate in the virtual company missions.

The Virtual Company Missions are part of SMM2021, which in 2021 will take place over 9 days in 4 different quarters of the year:

- 25-26 February
- 13-14 May
- 22-23 July
- 17-18-19 November

Looking forward to helping you unlocking international opportunities!
