## General Information

### Short summary

Slovak SME operating in the field of mechanical assembly services for ground and rooftop photovoltaic power plants is looking for partners in all countries. The company seeks partners that will provide mechanical assembly services for ground and rooftop photovoltaic power plants. The company offers a outsourcing agreement.

### Full description

Slovak SME has been operating on the market since 2012 in the field of mechanical assembly services for ground and rooftop photovoltaic power plants. The company cooperates closely with solar EPC companies and offers high-quality services solar park installations with power output between 100 kWp to 100 MWp. The portfolio of services covers the end-to-end installation of a solar PV power plant, including pile driving/ramming, installation of frame structures and mounting of photovoltaic modules. The company is experienced in this field with more than 270 successful solar PV projects with a total capacity of more than 800 Megawatts in Europe, Africa, Indonesia and Vietnam.

---

#### Advantages and innovations

The company's emphasis is on the quality of services provided with client's total satisfaction. The company is a reliable partner for large-scale photovoltaic projects in Europe, Africa, Indonesia and Vietnam.

---

#### Stage of development

#### IPR Status

**No IPR applied**

#### Sustainable Development goals

- **Goal 17: Partnerships to achieve the Goal**
- **Goal 7: Affordable and Clean Energy**

---

## Partner Sought

#### Expected role of the partner

The company is interested in cooperation with industry partner with experiences in PV sector especially in photovoltaics mounting.

#### Type of partnership

**Outsourcing agreement**

#### Type and size of the partner

- **SME 50 - 249**
- **SME <=10**
- **SME 11-49**

---

## Dissemination

#### Technology keywords

- **04005005 - Solar/Thermal energy**
- **04005004 - Photovoltaics**

#### Targeted countries

#### Market keywords

- **06003001 - Solar/thermal energy**
- **006005002 - Photovoltaic solar**
- **006005001 - Solar energy**
- **06003002 - Photovoltaics**
