## General Information

### Short summary

A French company specialised in manufacturing of joinery is looking for manufacturers of wooden pallets for the use of the transport of its products in France and abroad. The company is especially interested in supplier agreement with companies from European countries.

### Full description

Founded in 1997, the French manufacturer of joinery in PVC joinery and mirror glazing is looking for suppliers of manutention wood pallets especially in pine or fir wood.

The products required are :

- pallets with 2-post lightened center backrest with dimension : 1600x1200x2000 ;
- pallets with 3-post center back rests with dimension : 2300x1200x2000 ;
- pallets in L shape with the following dimensions : 1500X1200X1650 – 1630X1200X1650 – 1830X1200X1650 ;
- light desks 1600x1200x2000 – 2300x1200x2000

These wooden pallets are used for transporting industrial carpentry by road transportation

The future partner will be able to supply 150 units per month and to label in specific green color the name of the company in both sides of each pallet. The quantity per dimensions can be defined according to the capacity of production of the future partner.

#### Advantages and innovations
