General Information

Short summary

A UK based SME, designing, wholesaling and retailing their own brand of beauty bags, are seeking European suppliers of vegan eco-friendly, sustainable materials. Those include but are not limited to: plant based leathers, recycled fabrics, coated cottons, etc.. The novel fabrics will be used to make the beauty bags from.

Full description

The company has been designing and selling market-leading vegan make up and wash bags since 2014. They sell online and via large retail partners in the UK and worldwide.

They are seeking collaborations with European suppliers of vegan eco-friendly materials that the bags can be made from. They are open to ideas around the type of materials to work with as long as they are sustainable and eco-friendly. The types of materials they are after comprise, but are not limited to: recycled fabrics, recycled plastics, fruit leather, coated cottons, and more.

Advantages and innovations

There are a few companies in the UK fashion accessory market producing products from fully sustainable, eco-friendly materials. The company wishes to scale activity by introducing eco-friendly materials into their existing range.
