General Information

Short summary

A Luxembourg company is looking for direct manufacturers of multi-color PVC patches with hook&loop backing. Cooperation is sought to produce multiple series of 50-200 pcs, under supplier, manufacturing agreement or subcontracting.

Full description

The Luxembourg company, active since 2016, acts as a business developer in goods and services (B2B, B2C) and is well implemented in Luxembourg and its neighbouring areas.

Following a demand from an end-client, the company is looking to get in touch with a direct manufacturer of innovative market-specific multi-color and multi-design PVC patches with hook&loop backing (velcro).

Production wise, various series of min. 50 – max. 200 pcs individually packaged are asked. Dimensions requested are +/- 75 mm x 53 mm. In house design capabilities are a plus to take into consideration client draft design or ideas.

Cooperation is sought under supplier, manufacturing agreement or subcontracting.

Advantages and innovations

Strong of a network of partners and clients, the company is active in Luxembourg, and its neighbouring areas, including the Greater Region : East of France, Wallonia in Belgium and West of Germany.

The company has experience in creating new projects of the like, in various industries.

Technical specification or expertise sought

- Direct manufacturer of multi-color PVC patches with hook&loop backing or other backing as may be required
- Able to create small batches starting from 50pcs
- Able to package the PVC patches individually in cellophane packets
- Able to also provide with the package PVC patch the "loop" backing to sew-on or with textile adhesive (e.g. hot melt glue)
- Able to deliver within 3-4 weeks
- In-house design capabilities would be considered a plus to finalise production design based on customer draft designs or ideas
