General Information

Short summary

A Polish company specializing in the trading of food products is interested in diversifying its product portfolio. The company seeks international producers/suppliers of canned meat and processed meats. Cooperation will be based on supplier agreements.

Full description

The company has existed since 1923, in 1983 the company became an independent economic entity, and in 2021 it was transformed into a limited liability company.

The company runs a business in the field of trade. The company operates in 10 branches. The retail space of the shops is nearly 3,000 m².

The goods offered by the stores are, above all, the highest quality products that come from reliable business partners who use safe production procedures and whose product quality has been checked and has all the required approvals. The company seeks international producers/suppliers of canned meat and processed meats.

The company is looking for suppliers/producers of food products to sell in its own chain of stores, but also because the company has the potential to be a distributor of food products in Poland.

Cooperation with the partners identified will be based on supplier agreements.
