General Information

Short summary

Multi-branch wholesaler, importer, and distributor of home and garden equipment from Poland is looking for producers around the offering products from the broadly understood home and garden category under a distribution agreement.

Full description

A Polish wholesaler/distributor from Poland specializes in importing and distributing goods. The company started operating in 1996 and has been dealing with import and wholesale since 2012. The company offers products on a modern wholesale platform. Over the years, the warehouse has efficiently developed its activities and is constantly expanding. The motivation for the continuous development of the company is constantly changing needs on the market, new trends, and discovering new, original, and creative products.

The company's offer includes over 2,000 product items, including home and garden equipment products:

- Products for the kitchen, i.e. fruit baskets, sharpeners,
- Bathroom products, i.e. handles, laundry baskets,
- organizers,
- Night lamps,
- hammocks,
- Garden swings.

The home and garden equipment products sold are compliant with European safety requirements. Currently, the company is looking for producers and agents from around the world offering products from the broadly understood home and garden category. The company is constantly expanding its offer and is open to new innovations and trends. The company is looking for high-quality products that will meet the expectations of even the most demanding customers.
