General Information

Short summary

A Slovak company that manufactures homemade soft drinks from natural ingredients is looking for suppliers of herbs, teas and spices. All the soft drinks are made especially from the selected loose teas, herbs,spices and represent an alternative beverage for the market without using dyes, aromas or preservatives.

Full description

A Slovak manufacturer of soft drinks established in 2016 is dealing with the creation of unique drinks made from natural ingredients. This young company takes care of the traditions and the environment and thus produces all herbal and fruity lemonades which are made from selected raw materials such as high-quality loose teas, cane sugar, herbs or spices that leave their essence in the product. Also, the company thinks ecologically and uses only recyclable packaging which also offers to customers.

The company has already engaged in cooperation with various retail chains and markets across the country. Now, the company would like to expand.

Advantages and innovations

taking into account the environment by use of glass bottles exclusively
packaging is 100% recyclable and usable
wide range of different flavors
no artificial dyes, suitable for children

Technical specification or expertise sought

Slovak company is looking for suppliers of herbs, teas and spices. Ideally suppliers from surrounding countries. More specifics will be provided during the discussion.
